

VOLUNTEER WITH IN2SCIENCEUK

HELP YOUNG PEOPLE REACH THEIR POTENTIAL IN STEM

We are looking for science, technology, engineering and maths researchers and professionals to host a one or two week work placement for disadvantaged Year 12 students in 2023.

HOST A WORK PLACEMENT THIS SUMMER!

It's easy. No previous experience is needed.

We provide training and support to plan your placement.

It's enjoyable. Renew your passion for your field by sharing your work with excited young people.

It will make a difference. Through just a small time commitment you can inspire young minds.

How does it work?

Students are matched in groups of approximately three to a suitable host based on their location, availability and subject interests.

- Our experienced and friendly staff provide training and guidance so you can become a fantastic host with us.
- Work placements will take place between 24th July - 25th August.
