

# HELP YOUNG PEOPLE REACH THEIR POTENTIAL IN STEM

Calling all Science, Tech, Engineering, and Maths professionals: Be a beacon of opportunity for Year 12 or S5/S6 students from disadvantaged backgrounds and host a one or two-week placement in 2024.

## HOST A WORK PLACEMENT THIS SUMMER!

**It's easy.** No previous experience is needed. We provide training and support to plan your placement.

**It's enjoyable.** Gain mentoring experience and renew your passion for your field by sharing your work with excited young people.

**It will make a difference.** Through just a small time commitment you can inspire young minds.

### How does it work?

[Eligible students](#) are matched in groups of approximately three to a suitable host based on their location, availability and subject interests.

- Our experienced and friendly staff provide training and guidance so you can become a fantastic host with us.
- Depending on your preference and availability, placements are one or two weeks and will take place between Monday 22 July and Friday 23 August 2024.
